

God's Greatest Desire

Genesis 1:11, 24

Robert Morris

All people come from God, are sustained by God, and will go back to God. God made us like Him, and just like God, we desire communion. The truth is **God's greatest desire is to commune with us and to be with us forever.** He created us to love and be loved by Him.

God's plan is to present His Son, Jesus, with a bride—a companion. And we are His desired bride and companion. Throughout the Bible, the cry of God's heart is His desire for us to be His people and for Him to be our God. He created us for Himself, but He also created us with a free will. We can choose to love or not love Him. I hope you will choose to love God as much as He loves you.
